

HOW TO FIND US

DUKE SOUTH/ CLINIC Building - From second floor parking garage to
PHOTOPATH LAB on Third Floor/ Davison Bldg.

Rm. 3121 South Yellow

919-684-3984

To reach PhotoPath, enter Duke South Clinic from the second level garage bridge. Stay on the second floor and follow the map to the "YELLOW A" elevator. Take that elevator to the third floor. When you exit the elevator, look left. There you will see a door that says "Duke Pathology". Go through that door. PhotoPath will be down that hall, on the left just before the intersection of the "lockers hall" and the Green Zone.
