

Specimen Drop-Off & Pickup Location: Room 254M Duke Hospital South (Green Zone)  
 Specimen Cutting and Staining: Room 254M, telephone (919) 684-6209

**BioRepository & Precision Pathology Center (BRPC)**  
 Immunohistology Services in Support of Human and Animal Sample Research  
 Price List July 1, 2020- June 30, 2021  
 (919) 684-6209

**RHL # PROCESSING**

1	Fix-Specimen (10% Neutral Buffered Formalin)	\$2.50
2	Handling wet tissue, fine trim specimen	\$7.50
3	Relabel cassette or replace cover slip on slide	\$3.25
<b>Decalcify</b>		
4	Small	\$5.95
5	Large	\$11.50
6	Create/embed cell pellets	\$32.50

**PARAFFIN**

**Process and Embed**

7	Routine	\$7.25
8	Whole eyes	\$11.75
9	Large for 2x3 slides	\$38.00

**Cut slides, face cassette and first slide**

10	Routine	\$6.95
11	Routine with molecular precautions	\$9.95
12	Larges, 2x3 slides	\$28.00
13	Larges, 2x3 slides, with molecular precautions	\$36.00
14	Whole eyes	\$11.25
15	Whole eyes, with molecular precautions	\$16.00
16	20 micron thick section	\$32.00

**Serial sectioning**

17	Serial section (slide or tube), routine specimen	\$4.25
18	Serial section (slide or tube) with molecular precautions	\$8.00
19	Serial sections, large specimen and whole eyes	\$7.75
20	Serial sections, large specimen and whole eyes, with molecular precautions	\$16.25

**Step sectioning**

21	Step section (slide or tube), routine specimen	\$6.75
22	Step section (slide or tube), molecular precautions	\$12.50
23	Step sections, large specimen and whole eyes	\$9.25
24	Step sections, large specimen and whole eyes, with molecular precautions	\$18.25

**FROZENS**

25	Embed in OCT if necessary, Rapidly freeze tissue	\$8.50
26	Cut slides, face block and first slide	\$23.50
27	Additional slides	\$4.95
28	Fix cut slides, formalin, acetone or alcohol-based	\$2.50

**H&E STAINS**

29	H&E performed on one unstained FFPE or frozen section slide	\$7.25
30	H&E stain for 2x3 slide or larger	\$14.25
31	H&E stain of prosthetic intraocular lens	\$33.95

**STAINS****Paraffin**

32	Congo Red	\$16.00
33	Cresyl violet	\$16.00
34	Luxol fast blue	\$16.00
35	Mikat	\$16.00
36	Masson trichrome	\$16.00
37	Martius Scarlett Blue (MSB)	\$16.00
38	Oil red O	\$16.00
39	PAS (periodic acid Schiff)	\$16.00
40	PASD (periodic acid Schiff w/diastase)	\$16.00
41	Toluidine blue	\$16.00
42	Other Special Stains (not listed above)	\$30.40

**IMMUNOHISTOCHEMISTRY****(Investigator supplies antibody or probe)**

43	Titer one antibody and optimize detection method	\$1,400.00
44	Single antibody or probe on one slide (charged multiple times for multiplex, control included)	\$36.80

**IMMUNOFLUORESCENCE**

45	Direct	\$32.00
46	Indirect	\$32.00

**MISCELLANEOUS**

47	Research Immunohistochemistry Face-to-Face Tech Time, per 30 minute increment	\$50.00
48	Pathologist Consultation per 30 minute increment	\$200.00
49	20-place slide folder, RHL-provided	\$5.60
50	25-place plastic slide box, RHL-provided	\$11.20
51	100-place plastic slide box, RHL-provided	\$14.40
52	Consumables/passthrough	
61	<b>Expedite \$0-\$500 job (&lt;1 week, requires additional tech time)</b>	\$100.00
62	<b>Expedite \$501-1500 job (&lt;1 week, requires additional tech time)</b>	\$300.00
63	<b>Expedite \$1501-\$3000 job (&lt;1 week, requires additional tech time)</b>	\$600.00
64	<b>Expedite &gt;\$3,000 job: Please speak with lab</b>	

Non-expedited time to complete is around 3 weeks

Investigators may bring own slide boxes
